## OUR MISSION

*Shiloh United Methodist Church exists to glorify God by making disciples of Jesus Christ who delight in His worship, who nurture His people and who advance His kingdom.*

## From Dave's Desk...

As the time neared to write this column, I was torn what direction to take. I could focus on Mother's Day – after all, it is the first holiday in the month. Or I could write on Homecoming – it only comes once each year. So, of course, I chose to focus on Memorial Day, May 31, this year.

Memorial Day is observed on the last Monday of May or the previous Sunday. It is a day to honor the war dead of the United States. It was first celebrated in 1866 in Waterloo, NY. It is often observed by decorating graves, especially of persons who died in war.

Among the UM resources suggested for the day is a Canticle of Remembrance, #652 in the UM Hymnal. It reads:

*The souls of the righteous are in the hand of God & no torment will ever touch them.  
In the eyes of the foolish they seem to have died, & their departure was thought to be an affliction,  
And their going from us to be their destruction; but they are at peace.  
For though in our sight they were punished, their hope is full of immortality.  
Having been disciplined a little, they will receive great good, because God tested them & found them worthy;  
Like gold in the furnace God tried them, & like a sacrificial burnt offering God accepted them.  
In the time of their visitation they will shine forth, & will run like sparks through the stubble.  
They will govern nations & rule over peoples, & the Lord will reign over them forever.  
Those who trust in God will understand truth, & the faithful will abide in love,  
Because grace & mercy are upon the elect, & God watches over the holy ones.*

Each Sunday is a little Memorial Day for our Lord & Savior Jesus Christ. Every worship service remembers His life, acknowledges His death, & celebrates His resurrection. One day soon we will celebrate the resurrection of all the saints!

I'll see you at the "remembering" place on Sunday!

*Dave*

**United Methodist Women**

The United Methodist Women will resume their meetings in May. The UMW meeting will be in the Family Life Center at 7:00 P.M. on May 3<sup>rd</sup>.

On April 7<sup>th</sup>, the District Disaster Rebuild Team installed a metal ramp at a home in the Reeds community. An old wooden deck had to be removed before the ramp installation was started.

On April 19<sup>th</sup>, a wooden handicapped ramp was installed at a home in the Southmont community. An old wooden porch had to be moved before the ramp installation was begun.

On April 22<sup>nd</sup>, the team started a new type of job. A lady in the Yadkin College community has recently lost her mobile home due to a fire. Residents of the community are working towards getting her into a new mobile home. Delivery of a new mobile home was made and the team was asked to install vinyl underpinning on the home, and to attach a front and back porch that were attached to the burned home but were not damaged in the fire. These fully assembled wooden porches and railings were carried a good distance by the team members and attached to the new home. Prior to moving the porches, the underpinning was installed behind them. The other underpinning could not be done until the county inspector had signed off on work that had been done in order for the home to be inhabited.

On April 28<sup>th</sup>, after the county inspection was done, the team returned to the mobile home in Yadkin College and finished installing the underpinning around the entire home. They also removed flashing and plastic from the roof over the kitchen area that had been installed for protection during transport. All of the materials and labor were furnished at no cost to the homeowner.
